Dear Parents,

On **Wednesday 10th October**, pupils from our school will be leading a Harvest Festival mass, at **St Charles Church**, starting at **10am**. We would like to invite our families, parishioners, and local community to join us in this celebration.

As part of the mass, we would like to present donations of food to help our local community. We would be grateful for any donations of tinned, or packet foods, as well as fresh fruit and vegetable. Donations can be brought into school, at any time, and will be taken down to church on Wednesday morning.

These donations will be divided between our local **Food Bank** and the **St Charles Church SVP**, who look after those in our local community and parish.
