Hope that you have had a lovely week with your families and that you are all safe and well. I have really enjoyed looking at your posters about saving the park. You had some excellent ideas! Work may look a little different this week, but we are still continuing with the format from previous weeks. Please take some time to look around our Year 4 section of the school to familiarise yourself with what is on there. Keep working hard. I am very impressed with your work!</p> <p style="text-align: right;">Love Mrs. Andressen</p>
