

Year 4 Home Learning Curriculum Week Beginning 06.07.20

Spellings to learn and practise this week	Times Tables to learn and practise this week	Reading work this week	English/writing work this week	Mathematics work this week
<p>This week spellings are all adverbials of manner.</p> <p>Manner- a way of a person behaving towards another or A way in which a thing is done or happens</p> <p>E.g. Mrs. Andressen frantically looked around the classroom as she had lost her glasses.</p> <p style="text-align: center;">frantically curiously obediently carefully rapidly unexpectedly deliberately hurriedly reluctantly awkwardly</p> <p>Below is a link about adverbs of manner</p>	<p>This week your TTRS Timetables have been set according to the accuracy scores on the heat maps. If you need these changing for whatever reason, please get in touch.</p> <p>There is a band battle from Thursday to Friday next week!</p> <p>This battles were won by Iron Maiden and Thin Lizzy! Well Done!</p> <p>Think about different ways you can practise these:</p> <ul style="list-style-type: none"> - You can say them out loud - Write flash cards and ask someone to test you - Take the simple sum and see what other facts you can make from it For example: <p style="text-align: center;"> $2 \times 9 = 18$ $20 \times 9 = 180$ $2 \times 90 = 180$ $200 \times 9 = 1800$ $22 \times 9 \ 2 \times 9 = 18$ $20 \times 9 = 180$ </p>	<p>Please read the next two chapters of 'The Sleeping Volcano' followed by the corresponding comprehension questions. Chapter 3 and Chapter 4</p> <p>Reading activities are set as tasks on Purple Mash.</p> <p>SPAG work - These clips will help you learn about adverbials of manner. https://www.youtube.com/watch?v=iWx50r-b_Xs https://www.youtube.com/watch?v=rQIQH-0U6ko</p> <p>The task is to identify the adverbs of manner in the sentence.</p>	<p><u>Task 1- Linked to Chapter 3</u> The chapter ends with Seb and Ellie being confronted by one of the scientists. Will the children manage to talk their way out of trouble? Use direct speech to continue writing the conversation between the characters.</p> <p><u>Task 2- Linked to Chapter 4</u> Maxim talked about some of the activities on offer at The Volcano Experience: day treks, abseiling and taking a lift to the heart of the volcano. Create a leaflet to encourage people to visit The Volcano Experience</p> <p><u>Task 3 Spelling /Dictation/ Handwriting</u> is attached for someone to read out to you on Friday.</p>	<p>White Rose Home Learning Summer Week 10 29th June</p> <p>Lesson 1 – Interpreting different charts and answering questions about them. E.g. bar charts and pictograms</p> <p>Lesson 2- Look at different types of graphs and charts. Then answer questions about the sum, difference and compare amounts.</p> <p>Lesson 3- An introduction to line graphs</p> <p>Lesson 4 - Line Graphs- Finding out information from line graphs</p> <p>Lesson 5- Mathletics and TTR Battle. I have assigned personal Mathletics tasks for you this week. Anyone who has completed all Mathletics activities will be assigned an assessment test.</p>
		RE work this week:	Topic work this week: (History, Geography, Science)	Creative work this week:

<p>https://www.youtube.com/watch?v=JLKF6nieRBM</p> <p>Your spelling task this week is to use each word in a sentence.</p> <p>Write each word on a small piece of paper and ask a member of your family to select one and act in that manner. Try to guess what it is.</p> <p>Write out the words one at a time (for 30 seconds) using a different colour for the ly.</p> <p>Complete the dictation activity on Friday</p>		<p>Suggested Activities</p> <p>Write a short story about a person who reached out to another to 'build a bridge', Explain why you think they did this? Illustrate your story.</p> 	<p>Suggested Activities</p> <p><u>Science</u> Watch the videos about how a fossil is formed https://www.nhm.ac.uk/discover/how-are-fossils-formed.html https://www.youtube.com/watch?v=ID7qhn1ipmw</p> <p>Then see if you can sequence the pictures and match them to the correct statement about how a fossil is formed.</p> <p><u>Geography</u> https://www.youtube.com/watch?v=4UdBdVpucyY Watch this video about the erosion of Happisburg. Talk to a family member about why the land is disappearing into the sea and what has been done about it.</p>	<p>Suggested Activities</p>  <p>An example of art in the environment.</p> <p>Find some stones, twigs, leaves etc. and use them to make a picture outside.</p> 
<p>Useful websites for this week:</p> <ul style="list-style-type: none"> ● BBC Bitesize https://www.bbc.co.uk/bitesize ● Times Tables Rockstars https://trockstars.com/ ● Mathletics https://www.mathletics.com/uk/ ● Purple Mash https://www.purplemash.com/sch/stcharlesps ● White Rose https://whiterosemaths.com/homelearning/year-4 		<p>Message from the teacher:</p> <p>Hello Year 4 Children and families, I hope that you are all safe and well. I have had the pleasure of speaking to some more of you this week. It has been so lovely to hear what you have been up to! I hope you are enjoying the new book about Volcanoes! You have found out some very interesting facts about volcanoes! My favourite is that lava can flow for up to 30 km! Very interesting! Keep working your socks off!! –I am really proud of you and you should be very proud of yourselves! Keep up with all the fantastic work that you are doing! Love Mrs. Andressen</p>
