PHSE

Climate change affects all countries of the world, including the UK. Imagine you have travelled to Malawi. You have seen the harmful effects of climate change. You have also spoken to people in Chiwa's village about what it means for them. Write a postcard home to describe what you have seen and how it has made you feel.

Draw or paint a picture in the style of Mrs. Naughton. Here are some of my favourites...

If you are able please send a picture of your work to the school office – We would love to see them!

Message from the teacher:

Hello Year 4 Children and families, I hope that you are all safe and well.

Hopefully this is the last week of your home learning before you officially begin the six weeks holiday.

I couldn't be more proud of all of your hard work! A huge thanks to all of your parents for stepping up to help you with your Home Learning.

I am looking forward to seeing you all in September as you move up to Year 5. Wave to me on the way past! It has been an absolute pleasure to be your teacher this year!

I hope you all have a wonderful Summer!

Love Mrs. Andressen
